

4 Qualified Surveyors, Oxfordshire & Staffordshire

Due to year on year growth Dalcour Maclaren is able to offer exciting opportunities for qualified Surveyors, based at our Oxfordshire and Staffordshire offices

The opportunities (3 positions in Oxfordshire and 1 in Staffordshire) would suit either recently qualified surveyors or those surveyors wishing to apply experience gained in the rural sector in a modern, progressive company.

Dalcour Maclaren are one of the leading firms of Chartered Surveyors specialising in the utility sector. Our core expertise lies in large scale cross-country linear projects delivered to a wide range of national blue chip clients (including renewables, water, gas, electricity & telecoms).

Dalcour Maclaren's niche service to the utility sector is continuing to win new clients through modern working practices, innovation and provision of the best service possible to clients.

The positions available offer:

- Key involvement with nationally important infrastructure projects
- Working in dynamic teams
- The satisfaction of taking projects from inception to completion
- An ability to become a key part of the business and its rapid growth
- An excellent salary package

Applicants must:

- Be confident in working with modern IT systems
- Be a qualified surveyor ideally with rural experience and a strong commercial aptitude
- A team player with a good sense of humour
- Show initiative, attention to detail and be focused and driven to achieve deadlines
