

Rural Chartered Surveyor Cumbria and Lancashire

NWA Professional is the brand new name for the rural land agency and advisory services department of North West Auctions Limited incorporating the business of M B Hodgson and Son. North West Auctions owns and operates two highly successful livestock markets in the northwest of England; Kendal in south Cumbria and Lancaster in north Lancashire. Kendal mart is in the process of relocating to a brand new multi-million pound state of the art facility currently under development directly adjacent to the M6 motorway (J36) and due to open in July/August 2012. With a current livestock turnover well in excess of £30million plus a highly successful fine art and antiques division, 1818 Auctioneers, and with over 2500 customers regularly using our facilities we can offer our professional team unrivalled direct access to this client base.

We are looking to appoint an exceptional Rural Practice Chartered Surveyor with at least five years post-qualification experience to join our team of nine professional staff. CAAV membership is also preferred but not essential. The vacancy provides a unique opportunity for the right candidate to build upon the close links with our client base and to grow the business and to progress to a very senior level within the business within a short period of time.

We are able to offer a remuneration package commensurate with experience and want to hear from those who feel they can bring that something special to our company.

Applications should be made in writing, with current CV to Mrs K L Black, Company Secretary, North West Auctions Limited, The Auction Mart, Appleby Road, Kendal, Cumbria, LA9 6ES.
