

Assistant Resident Agent
Knowsley Estate

An exciting and varied role providing assistance to the Resident Agent with the management of the rural, residential and commercial portfolios of the 16,000 acre Knowsley Estate, nr Liverpool and associated properties on the Crag Estate, Derbyshire (Peak District)

The Role

To provide assistance with the management of a diverse let estate; to assist with the promotion and development of the Estate's property interests; to contribute effectively and with diplomacy towards the running of efficient staff teams; to include the administration of let shooting activities (grouse and pheasant)

The Applicant

The applicant will be a graduate/trainee in rural estate management, preferably with at least one year's relevant work experience; will demonstrate a keen willingness to learn whilst being able to work on own initiative when required; good IT skills and an awareness of the commercial drivers of a rural estate are important; he/she will be flexible and show willingness to assist in driving forward business and other initiatives in a confident and personable manner
