

2 Rural Surveyors required

We have opportunities for 2 rural surveyors who are looking for career progression leading to long term employment in the South West. The applicants should either be RICS qualified or working towards it. As well as experienced applicants, summer internments and year placements will also be given consideration

One role will be working in the **Farm Agency** department in Exeter, the other working in Stags **Rural Property Consultancy** within our Devon and Somerset offices. Depending on the level of experience of the candidates some movement between the departments may be possible. There may also be opportunities to experience country house agency for the right candidates following placement in the above roles.

We are looking for candidates who will work hard to progress their experience and careers. If interested please forward your CV with a covering letter or email explaining why you would succeed in your chosen role to Miss Caroline Ayre, Stags, 21 Southernhay West, Exeter. EX1 1PR or email: farmagency@stags.co.uk . We will be considering applications during February 2012.
